WAITING FOR THE BUS – Capital Area Transit buses will stop on any corner along a bus route as long as the driver believes it is a safe place to stop the bus. A bus cannot stop in a right turn lane unless the bus will make a right turn.

It is always a good idea to be at your corner a few minutes early. Make sure the driver in the approaching bus can see you, and wave to the driver to signal to them that you want to get on the bus. Remember to stand back from the curb until the bus comes to a complete stop.

HOW TO SIGNAL THE DRIVER TO STOP – Stand on the right-hand side near the corner of the intersection closest to the lane traveled by the bus. Wave to the driver to let him know that you wish to board. Stops along “No Stop Zones” permitted only where indicated by the symbol.

IDENTIFY YOUR CAT BUS – Check the destination signs and route number before boarding the bus. Destination signs are located along the front of the bus and by the front door. Remember, paratransit buses for elderly and disabled will be around town also; these buses cannot be flagged down to stop on a corner for pickup.

BOARDING YOUR CAT BUS – Watch your step when boarding. Most CAT buses “kneel,” which means the front of the bus lowers to the curb height to make the first step easier. If you need this assistance, please ask the driver to kneel the bus. Take a seat and remain seated while the bus is moving. Please leave the seats in the front of the bus for senior citizens or persons with disabilities.

PAYING

	One Way Ride Fare	1 Day Pass	30 Day Pass
Regular Adult Fare:	\$1.25	\$5.00	\$30
Discount Fare:	50¢	\$2.50	\$20

• 30 day passes expire 30 days after the issue date. 1 day passes expire at midnight on the day they were issued. Passes may be purchased from a driver with exact change. Tell the driver which pass you are buying before placing money in the farebox.

• Discount-qualifying riders are students (K-12 & higher education), senior citizens (60+), Medicare card holders and persons with disabilities. Verification must be provided to receive the discount.

We accept cash, check or Bis-Man Transit punch tickets (punch tickets may be purchased in office by paratransit riders). We do not accept debit or credit cards.

• You must have the exact cash/change or you will receive a change card with the remaining balance. The change card may be used to pay for future CAT bus rides and it does not expire. Drivers do not carry cash and can not access farebox money.

TRANSFERS – To reach your destination you may need to transfer between buses. Transfers are free between all CAT buses. If you need to transfer to another route, notify your driver when you board your first bus. The driver will provide you a ticket that is valid for the next available bus. Most transfers will be immediate, though some may take up to 30 minutes. Transfer points are Kirkwood Mall (CVS Pharmacy), Gateway Mall, Bismarck State College, Arrowhead Plaza Mall, and Simle Middle School.

If you have a monthly pass, obtaining a transfer ticket is not necessary – simply swipe your pass on the next bus.

TO REACH YOUR DESTINATION – About one block before the bus reaches your destination, pull the cord that runs along the inside of the bus to let the driver know that you want to exit. The driver will let you off at the next safe corner. Please remain seated until the bus comes to a complete stop. Exit through the front door and wait until the bus is gone before crossing the street. Never cross in front of the bus.

CAT BUS RIDER SAFETY – All the CAT bus drivers are trained professionals and have utmost concern for your safety. You want a safe, clean, comfortable ride, as do your fellow riders. Be considerate and follow CAT’s simple, common sense rules.

- Keep arms, legs, packages and other personal items out of the aisles
- Do not stand in the stairwells
- No eating, drinking or open containers on the bus
- No smoking on buses or within 20 feet of a bus or shelter
- No radios without earphones
- No rollerblades or in-line skates
- No animals allowed aboard CAT, except service animals
- Please limit yourself to two (2) packages
- Strollers must be folded and stored out of the aisle

You may ask your driver questions while on the bus, however, please refrain from carrying on a conversation with the driver when the bus is in motion. Drivers have the right to refuse service.

The use of threatening behavior or vulgar language will result in your being asked to leave the bus.

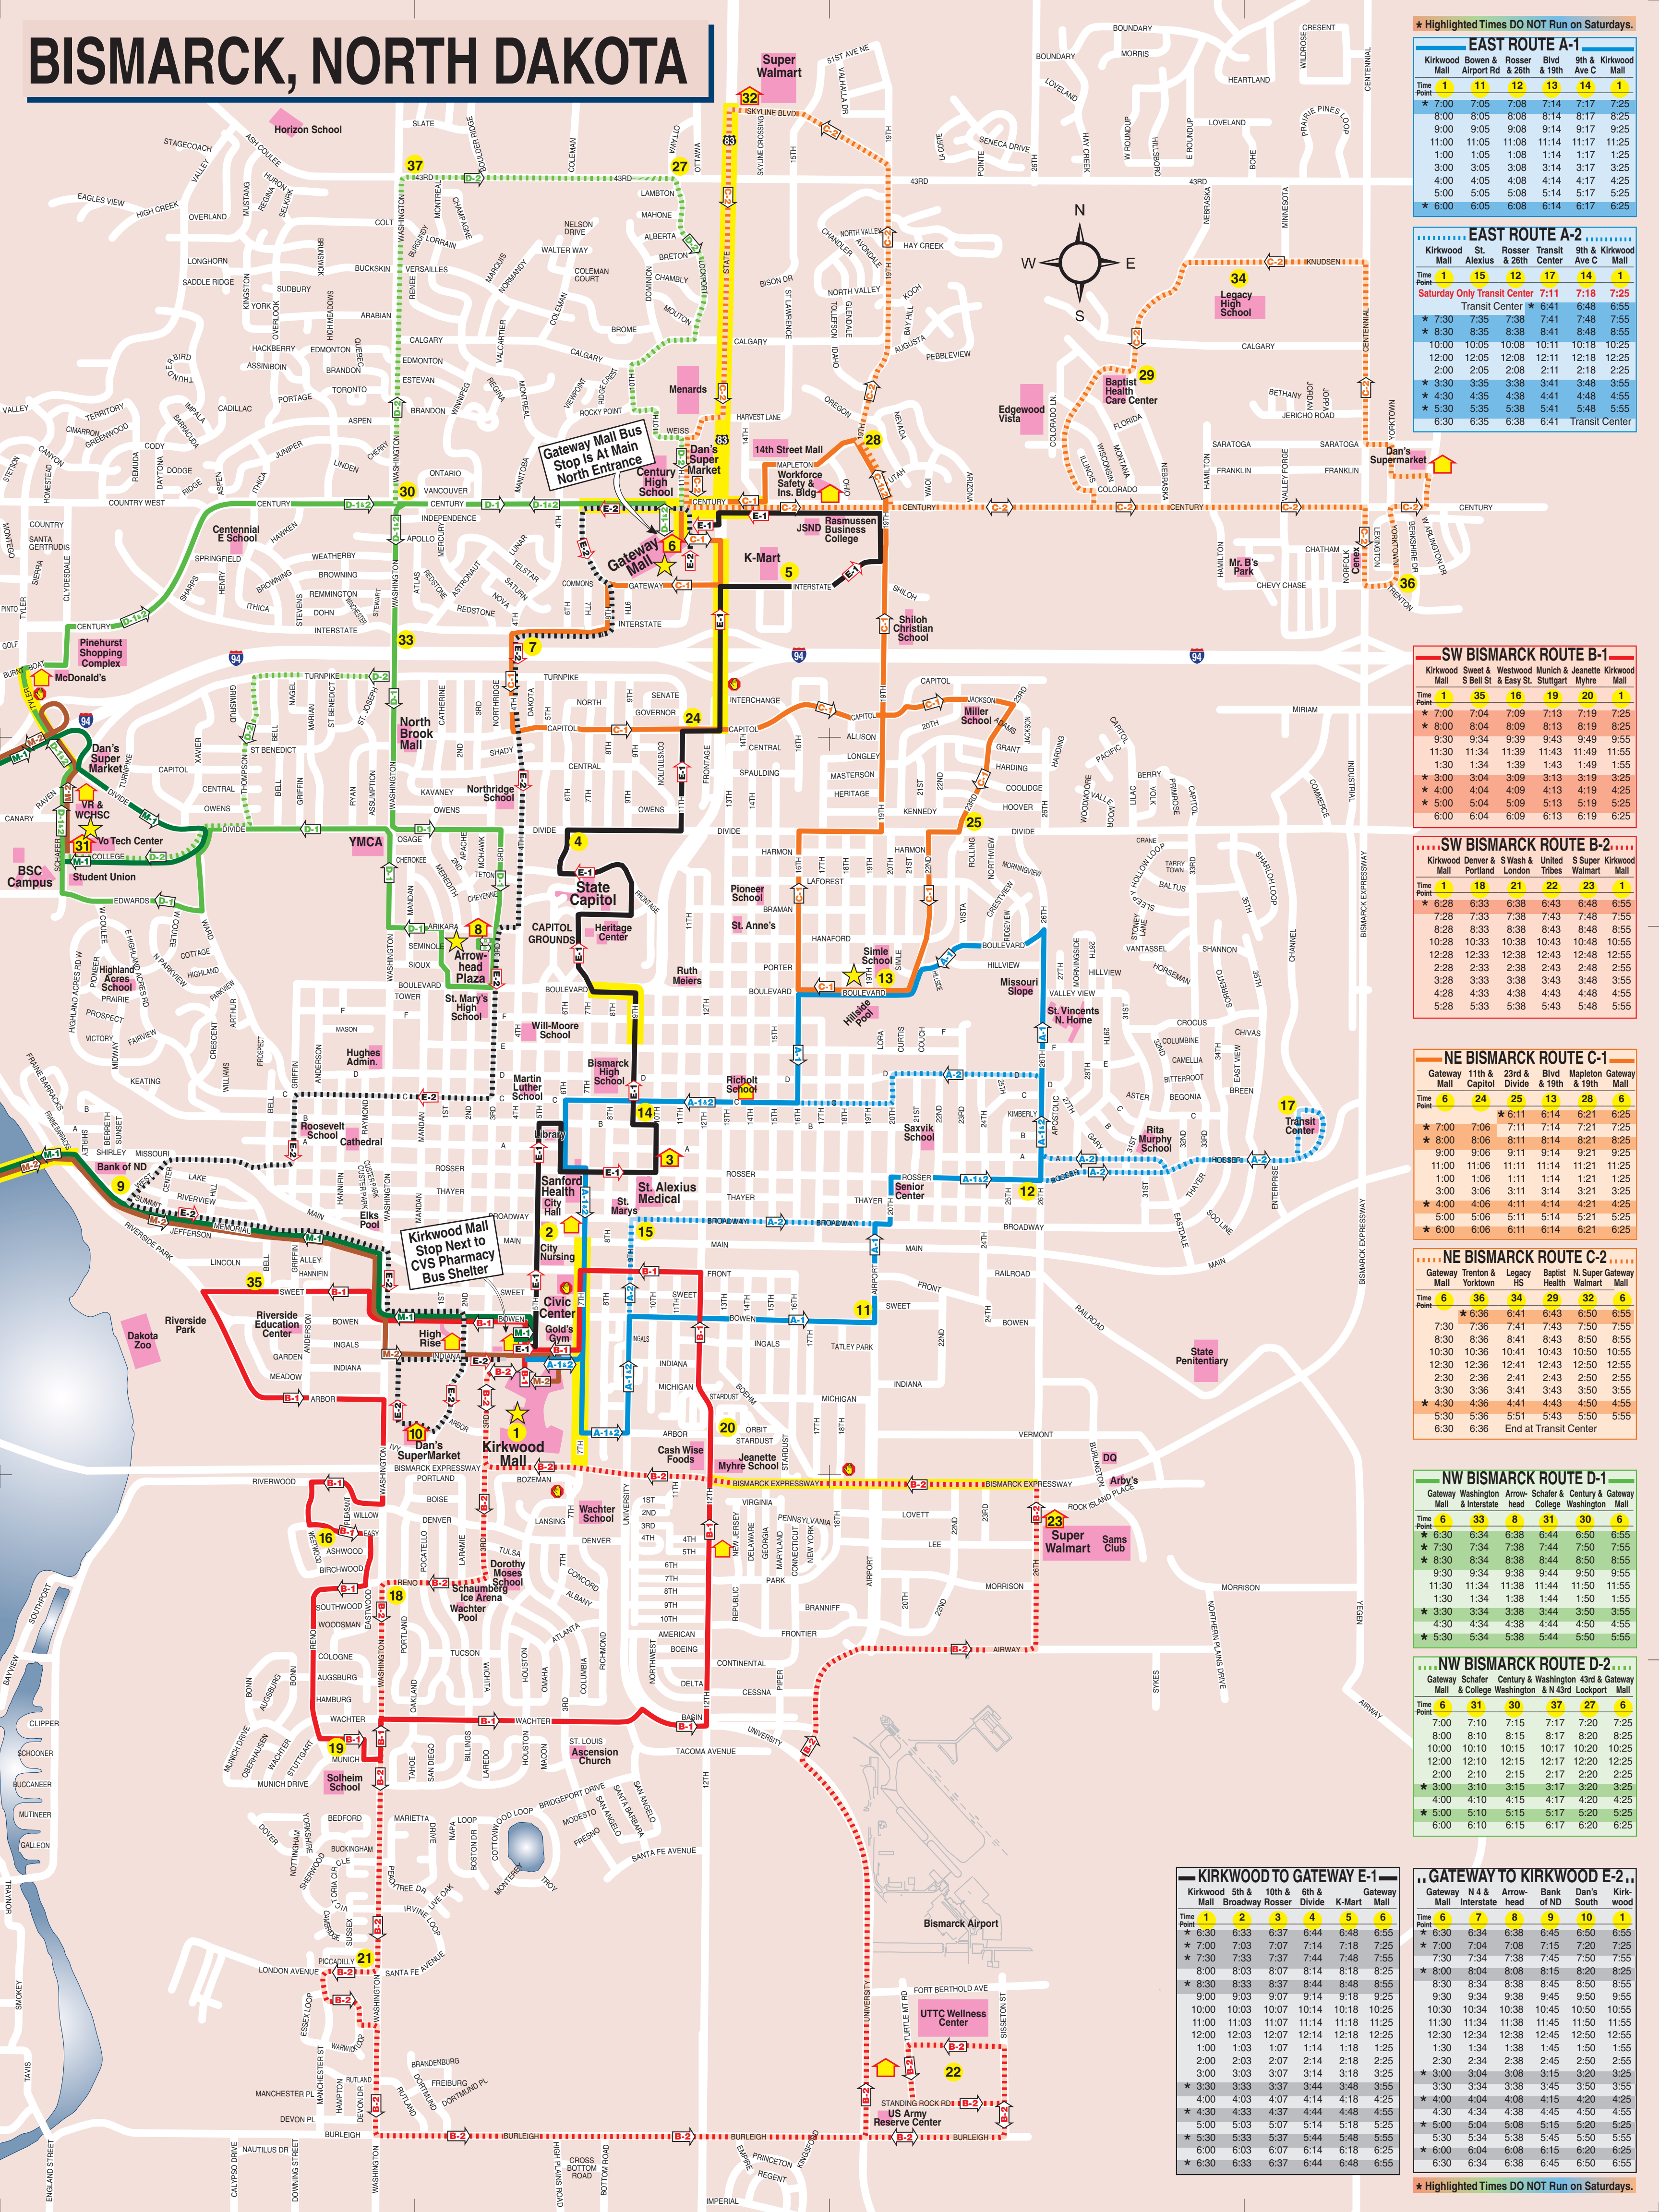

BIKE & BUS PROGRAM – All CAT buses have bike racks on the front to carry up to two bikes. The Bike & Bus program provides flexibility for passengers who wish to combine transit and bicycle transportation. Limit two bikes at a time.

In order to use the Bike & Bus program, you must first get a permit. This only takes a couple of minutes. You may obtain one from a driver at either the Kirkwood Mall (CVS Pharmacy shelter stop) or the Gateway Mall, or by stopping into our office.

WHEELCHAIR ACCESSIBILITY – All of the CAT buses are equipped with wheelchair lifts or ramps. The driver will secure wheelchairs inside with tie-downs before the bus departs. Riders using wheelchairs must be able to get on and off the bus independently. For information call 701-323-9CAT (228).
