

ADA PARATRANSIT **RE-CERTIFYING** APPLICATION AND INSTRUCTIONS

Dear Customer:

Thank you for inquiring about your **recertification** for ADA Paratransit service, provided by Bis-Man Transit in the Bismarck-Mandan area. Enclosed is an ADA Paratransit Application Form.

Please read this and the enclosed material carefully before completing the application.

The Americans with Disabilities Act of 1990 and the Department of Transportation Regulations 49-CFR Part 37 requires Bis-Man Transit to provide paratransit bus service to any individual with a disability who is unable, as a result of a physical or mental impairment, to board, ride or disembark from any vehicle on the transit system which is readily accessible to and useable by individuals with disabilities. Regulations require each transit system to develop a certification process wherein anyone needing paratransit bus service must be certified as ADA eligible pursuant to the guidelines set down in Part 37.123 of the Department of Transportation regulations. The law is very specific as to whom and under what circumstances eligibility may be granted and is not automatically assumed because of a disability.

You, or your designee, must completely answer all questions to the best of your ability and you must certify that the information is complete and correct by signing and dating the application. In addition, we ask that you fill out the Professional Release of Information allowing us to contact the professional (not a relative or friend) of your choosing who can confirm the information you have provided. This person may be a registered nurse, social worker, physician, physical therapist, psychologist, occupational therapist, chiropractor, speech pathologist, physician's assistant, nurse practitioner, mental counselor or other professional who is currently certified or licensed in their field. This person should be familiar with your disability and how it affects you.

Please complete your application as thoroughly as possible. Your answers will assist us in determining the specific limitations you have in using our service. All applicants, whether new or those applying for re-certification, must complete a new application. The Bis-Man Transit ADA Paratransit certification process includes completing the application, submission of a professional verification, and if needed, an in-person interview in order to determine eligibility for paratransit services based upon ADA regulations. Paratransit transportation will be provided free of charge upon request in the event of an interview. Should you have any questions about the certification process, please contact Bis-Man Transit at

info@bismantransit.com or call us at (701) 258-6817. For additional information regarding our services visit www.bismantransit.com.

Please mail your completed application and Professional Release of Information form to Bis-Man Transit, or to: ADA Paratransit Applications, Bis-Man Transit, 3750 Rosser Ave., Bismarck, ND 58501.

The final eligibility determination will be made within 21 days of completion of the application process. **NOTE: Applications are not considered complete until the professional verification has been received and the interview is completed.** If a decision is not made within the 21 days, Bis-Man paratransit service will be provided on a temporary status, until a final determination is made. Bis-Man Transit will notify you, in writing, of the results of your evaluation and your eligibility status.

TYPES OF ELIGIBILITY

If you are determined eligible for Bis-Man Transit paratransit service, your eligibility will be one of the following types:

1. UNCONDITIONAL ELIGIBILITY:

Your disability, or health condition, always prevents you from using fixed route buses and you qualify for ADA Paratransit for **ALL** of your trips.

2. CONDITIONAL ELIGIBILITY:

You are able to use the fixed route buses for **SOME** of your trips, and qualify for ADA Paratransit Service for other trips.

3. TEMPORARY ELIGIBILITY:

You have a health condition or disability that **TEMPORARILY** prevents you from using the fixed route buses and you qualify for ADA paratransit for a specified period of time.

A determination is made based upon an individual's ability to board, ride and disembark independently from a fully accessible fixed route bus. The terrain and architectural structure are also considered. It is important for all applicants to realize that this is a transportation decision, not a medical authorization.

Lack of fixed route service in an area or at specific scheduled times does not qualify as adequate justification for ADA paratransit eligibility. Bis-Man Transit paratransit service provides service within the city limits of Bismarck, Mandan, and three-quarters of a mile outside of any Bis-Man Transit (CAT) fixed bus route during the same hours as fixed route bus service for those determined eligible.

APPEAL PROCEDURE

A determination of eligibility will be made by Bis-Man Transit within 21 days of the completed application process. **NOTE: Applications are not considered complete until the professional verification has been received and if required an interview is completed.** Bis-Man Transit will notify you in writing with the decision of your eligibility status. If it is determined that you are able to use the fixed route service and are found not eligible for paratransit service, Bis-Man Transit will provide explanation for the determination. If you are determined “Not Eligible”, or are dissatisfied with your eligibility type, you may appeal the decision. A written appeal to Bis-Man Transit must be received within 60 calendar days of the written eligibility notification letter.

Submit a letter stating your wish to appeal the decision that was made. You may include information as to why you feel you were incorrectly denied (or limited) for ADA Paratransit service and attach copies of any other information you feel supports your appeal, though this is not required. A hearing date will be set for within thirty (30) days of receipt of the appeal request.

The decision of the appeals committee will be given within thirty (30) days of the hearing date, and will be provided in writing (and/or other accessible formats as requested). The decision made by the appeal panel will be the final determination. You may then only re-submit an application if your condition changes. ADA Paratransit service will not be provided for new applicants during the appeal process, unless the appeal process cannot be concluded within thirty (30) days.

Appeals must be in writing and forwarded to:
