

Several recreational trails meander through and around some of Bismarck's more popular recreation and nature sites. The Tom O'Leary Trail passes by athletic fields, tennis and golf locations. The Sertoma Trail is near the Dakota Zoo, Superslide Amusement Park, eagle sculptures, softball and tennis complexes, and the majestic Missouri River. The Riverwood Trail passes by a golf course, archery range and horse arena. The Chief Lookings' Village Interpretive Trail has an educational area providing a glimpse of the overlook of the Missouri River and the surrounding area. Grab your shoes, in-line skates, or bikes and explore your recreational trails!
