**Staff:**

Deidre Hughes

Taylor Kitzen

Mike Mundahl

Craig Thomas

Danae Thiery

Tom Reisenauer

## Meeting called to order at 11:00 A.M.

- 1. Status Update:** Deidre gave an update to the task force, saying the public hearing had been held November 19<sup>th</sup>. She said the proposed changes will be presented to the Bismarck City Commission on December 8<sup>th</sup>, and encouraged all who participated to email the Commissioners, or attend the meeting via zoom. If approved, she said we would begin getting the word out about the changes. Deidre asked if everyone wanted to remain involved in the marketing, or wanted it turned over to be handled in-house by the admin team. Tom Schiwal recommended handing it over to the admin team if approved. Helen agreed. Deidre said she would propose to the Board at the next meeting that the task force be dissolved if the changes are approved. Deidre thanked all those involved. Helen asked about zoom info for the city commission meeting. Deidre said she would send out the info to the task force once it was published by the city. Trevor asked about time frame for the new routes. Deidre asked the task force about what they thought for the new routes to go live. Jeannie said she thought as soon as the approval was given would be good. Helen said that January 1<sup>st</sup> seemed realistic. Deidre said she would bring it up at the next Board meeting & would follow up with the members of the task force to let them know what had been decided.

**Other Business:** No other business.

Meeting adjourned at 11:12 A.M.
