

Community Transportation Input Committee Meeting Minutes

August 24, 2021, 10:00 A.M.
Via Zoom Conference Call
3750 E Rosser Avenue, Bismarck

Attending:	Chair/Helen Baumgartner	Glenn Lauinger
	Jeannie Pedersen	Randee Sailer
	Trevor Vannett	Susan Dingle
Staff:	Deidre Hughes	Mike Mundahl
	Taylor Kitzan	

Meeting called to order at 10:00 A.M.

Agenda: Deidre presented the 2017 Bis-Man Transit Coordinated Human Services Plan. Deidre explained that this is done in-house every five years and the plan is needed in order to receive Federal funding. Bis-Man Transit staff is currently constructing the 2022 Coordinated Human Services Plan. This includes a survey that is for riders and providers to give feedback on how Transit can improve its services. The survey is open until September 7, 2021 and Deidre encouraged committee members to spread the word. Responses will then be evaluated and worked into the plan. Public comment, in-person and virtual, is also scheduled in September. Deidre commented that this plan will include a breakdown of operations costs, this is something that hasn't been included in prior plans.

Jeannie asked if the survey could be done on paper. Deidre said she will provide the survey to be printed, as well as the 2017 Coordinated Human Services Plan, and Public Comment dates and times. Glenn commented that the 2017 Coordinated Human Services Plan is generic and asked if the new plan will be more detailed. Deidre answered that the new plan will include more information than previous plans, but the long-term goals may stay the same.

Meeting adjourned at 10:18 A.M.
