The Bismarck-Mandan Metropolitan Planning Organization and Bis-Man Transit are in the early stages of updating the transit development plan (TDP). Updates are completed every five years. Through the plan update we will be reviewing both fixed route and paratransit services, including finances, service levels and what opportunities are available to improve service.

The first three rounds of public meetings will focus on listening to you regarding your experiences, presenting background information about the plan, and discussing what more you would like to see for service. The first round of meetings will take place December 6 in Bismarck (Veteran's Library, Conference Room A) and Mandan (Mandan City Hall, Veteran's Conference Room)!

If unable to attend, written comments can be submitted by emailing the SRF Team at btroe@srfconsulting.com or mailed by December 21, 2022 to Rachel Lukaszewski, Bismarck-Mandan MPO, 221 N 5th Street, Bismarck, ND, 58501.
