

## Scope of Work

The Bis-Man Transit Board requests quotes to purchase supplies necessary to upgrade the current REI on-board bus cameras to enable live-view footage.

1. Ability to provide and deliver all materials within a reasonable time frame from the order date.

The details of the required parts are below. All expenses must be included in the quote.

- 33- HD6 COMM Modules (WiFi & 4G LTE – AT&T)
- 33- 5G/LTE. Wi-Fi Antennas

**As a sub-recipient of federal grant monies, all federal clauses must be adhered to, and all applicable certifications must be signed by the selected bidder.**

**Purchases over \$5,000 are tax-exempt. Certificate provided upon request.**

**Quotes must be submitted to Deidre Hughes, Executive Director ([dhughes@bismantransit.com](mailto:dhughes@bismantransit.com)) by May 15, 2026.**
